

FREEMASONS TASMANIA

Our Mission

‘To Make Good Men Better’

Our Values

Our values form the foundation of our mission, are built on what we are taught and believe, and are drawn from a belief in a Supreme Being who guides us in all our undertakings.

Brotherly Love: Every true Freemason will show tolerance and respect for the opinions of others and behave with kindness and understanding to all people.

Relief: Freemasons are taught to practise charity and to care – not only for their own – but also for the community, both by charitable giving and by voluntary efforts and works as individuals.

Truth: Freemasons strive for moral truth and virtue, to help them maintain a positive way of living life’s journey.

Our Creed

Who we are: We are a Society inspired by the spirit and vision of our forebears to make good people better.

What we believe: We are a community of men, bonded in a Fraternal Circle, who reach out into the world to help those in need.

What we do: We work to identify and meet unmet needs of others.

In this respect, every Freemason is an ambassador for world peace, racial and religious tolerance and love and respect to all mankind. To many of us, Freemasonry offers a dignity and purpose to our lives that we deeply love and cherish. Each of us understands that Freemasonry is not for everyone, to be a good Freemason requires patience, commitment, and self discipline. Ultimately, the individual and collective rewards of Freemasonry are far greater than can be conveniently listed in words on a page.
